JOE PAVICH, JR.

For Joe Pavich, Jr., a name means everything.

It means integrity, trust and customer service that goes beyond merely listing a property to helping clients choose their homes wisely.

"I have been in business since 2001. In that time, it has been my goal to ensure my name is one that people can trust. I want to be known as the man who will listen to you and ensure that you're happy. I don't just list a property – I listen to my clients and discuss their goals along with pricing and timing and do the best I can to exceed their expectations."

Using a deep well of knowledge that spans Southwest Florida with networks throughout the region, Joe's determination to be the first name on any buyer or seller's mind has paid off. Over the past six years, he's sold more than

\$350,000,000 and in the past year alone, sold 20 plus homes in a day or less – just through "making things happen."

Acknowledged by his peers, Joe has won the Five-Star Customer Service Award for the past six years from Gulfshore Life Magazine and the "Best Realtor Award" for the past three years from the News-Press. For three years, he has also had the highest sales in the world for his international company.

But for Joe, accolades and sales are nothing without the trust he has earned from his clients. Focusing on lifestyle neighborhoods such as golf course, beachfront and boating communities, he takes the "sale" out of each equation and puts his customer first.
